DEPOSITS

Admission Fees and Deposits

Beginning with students who apply for entry in January 2020 and beyond, we will no longer charge an application fee for undergraduate degree-seeking enrollment. There will still be an application fee in place for summer session pre-college as well as graduate/MAT entry.

A general-obligation deposit of \$250 is required both of new students and students returning after interrupting college enrollment. This deposit is applicable to other indebtedness to the college and remains on deposit for as long as a student is enrolled. The deposit is forfeited by failure to provide notice of withdrawal by March 1 for the fall semester and November 1 for the spring semester for enrolled students, or after acceptance of admission for new students.
